

H.I.T.A.

(Home Inspectors of Tennessee Association)

Why being part of HITA is a clear choice for state-wide inspectors

Local Organization working for Local Inspectors!

- The primary goals and mission of HITA is to Assist and educate the TN licensed home inspector in regard to the following:
 1. Educating Inspectors for inspecting and reporting within the State Standards of Practice.
 2. Work with State level authorities governing the Home Inspection industry and Inspectors.
 3. Assist TN State Inspectors with acquiring the 32 CEU's per 24 month cycle.
 4. Advocate for the TN licensed Home Inspector for both Standard of Practice changes as well as support and communication between Home Inspectors and The TN Dept. of Commerce and Insurance.

National Entities: Don't Care About YOU!

ASHI and NACHI (for example) are great entities for our industry as a whole. For those looking to be on large web boards or getting cute “badges” to use their your website or marketing material. They may also be required memberships for discounts on other services TN inspectors may provide or for insurance purposes, but as for speaking with or working with the TN Dept. of Commerce and Insurance, regarding YOUR BUSINESS.....that's not happening!!!

HITA directors and board members are in communication with the TN Dept. of Commerce and Insurance on SOP Changes and/or Senate talks regarding the TN Home Inspection industry and immediately disclose the information to the members as well as start the rebutle/approval process.

Education that's TN State Specific

- HITA provides over 45 hours every 2 years of CEU's. Members need not attend all education to acquire the State's required 32 hours per 24 month cycle.
- HITA CEU's are primarily taught with the State Standards of Practice in mind or with construction practices that we in the State of Tennessee are seeing. (ASHI and NACHI training is U.S. general)
- HITA CEU's are live fed to four different locations across the state or ZOOM based to your own phone or computer (keeping you close to home and saving you hotel money)
- HITA CEU's rest assured are all State approved!!

Join HITA 1 of 2 ways.....

Option 1

Pay for the entire year's membership at one time!

** Cost is \$300.00/year **

To better assist our members, HITA has changed its calendar year to July 1 - June 30!

Option 2

Pay for your membership monthly!

** Cost is \$27.00/Month **

Your card will be billed the first of every month during your membership tenure.

HITA's PROUD.....

- HITA's PROUD to represent every inspector within the great state of Tennessee with the TN Dept. of Commerce and Insurance!
- HITA's PROUD to provide the best education and instructors with State approved classes!
- HITA's PROUD to provide a Conference every 18 months for all inspectors!
- HITA's PROUD to continue to innovate and work on solutions for communicating with members and training classes!
- HITA's PROUD to be here now as well as the future pushing the boundaries of development and care for it's membership!

Why wait.....JOIN NOW!!!
